Sijil Kemahiran Malaysia (SKM) - Level 2

- > Progress Management
- > Forum
- > Performance

Synopsis/Description SKM 2 is a program for the candidate to learn the hands on skill and it is focus on the automotive area. While, CiSTReC is provide a platform and works in term of synchronization of documentation, e-monitoring, e-profiling, verification self-assessment and so on. Documentation especially involving different training institute and company workplace can be harsh so CiSTReC can significantly create a shorten paths to connect the information from different parties while providing an effective communication tool such as forum.
